

## Why

Inmoria

I see myself  
Standing there  
So lost and lonely

No one can see me  
I'm reaching out  
But they all just turn away

Who have I become  
Who's the man  
That I see in the mirror

A dark cold reflection  
Staring back  
And it won't leave me alone

They hear me cry  
They see my tears  
They feel my pain

They say that time heals all the wounds

Why do I cry  
I cry myself to sleep every night  
I don't believe  
That someone will come  
And take away my pain  
Why do I live

I see me lying there  
And all these faces  
Staring down at me

They whisper something  
That I can not hear  
But still I understand

So silently I turn around  
And I'm looking into my own eyes  
Desperately I close my eyes and cry
