

# Cola Song

Inna

JBalvin, Inna, the business

We got that Coca Cola bottle shape, shape, shape  
We got that sugar, do you wanna taste, taste, taste?  
We take it all around the globe  
Baby everywhere we go  
Make it hot when mama arrives  
Shake, shake, shake

Like oh, you know they want it  
Ay, andale  
Oh, you know we got it  
Ah, smile we say  
Soy Latina baby  
Soy Latina baby  
Ok, let's party, say ole  
Soy Latina y la noche we own it, baby  
OK, let's party, say ole, ole

I got that Coca Cola bottle shape, shape, shape  
But how much Cola can your body take, take, take  
Everytime I come around  
Now you know it's going down  
Make it hot when mama arrives  
Shake, shake, shake

Like oh, you know they want it  
Ay, andale  
Oh, you know we got it  
Ah, smile we say  
Soy Latina baby  
Soy Latina baby  
Ok, let's party, say ole  
Soy Latina y la noche we own it, baby  
OK, let's party, say ole, ole

Entra tranquila, pura coca cola, a dar tequila  
Hasta Romania, tu sabe que esto es magia  
Hoy gusto a Inna, el negocio Web miralias  
Entra traquila, que tu no hace fila  
Sabe a cola cola, sabe a vitamina  
J to the B, I doubt with a name  
You follow my game, you know what way  
La noche es de nosotros y hoy venimos a celebrar  
La fiesta apenas comienza y la gente y grita ole  
No le eche la culpa a Inna que ella solo vino a bailar  
Shake out babe, Inna, la combinación mundial

Soy Latina baby  
Soy Latina baby  
Ok, let's party, say ole  
Soy Latina y la noche we own it, baby  
OK, let's party, say ole, ole
