

Fever

Inna

Look in the mirror
You, I'm a hero
You give me fever ...
Fever ...
Slowly, with passion
Boy have attraction
Nobody's trying to stop me.

Look in the mirror
You, I'm a hero
You give me fever ...
Fever ...
Slowly, with passion
Boy have attraction
Nobody's trying to stop me.

But I can fall ...
I can fall ...
You're the reason that I'm crying.
And I dream ...
And I dream ...
I can dream that I'm with you

Look in the mirror
You, I'm a hero
You give me fever ...
Fever ...
Slowly, with passion
Boy have attraction
Nobody's trying to stop me.

Look in the mirror
You, I'm a hero
You give me fever ...
Fever ...
Slowly, with passion
Boy have attraction
Nobody's trying to stop me.

But I can fall ...
I can fall ...
You're the reason that I'm crying.
And I dream ...
And I dream ...
I can dream that I'm with you
