Inna

I'm tired to be losed,
Actions speaks louder then words,
If you feel me,
Run away where you will be,
Have more limit to be free,
You release me...

Take me away,
Take me away,
Take me away (Ooh),
Take me away

I'm tired to be losed,
Actions speaks louder then words,
If you feel me,
Run away where you will be,
Have more limit to be free,
You release me...

Take me away,
Take me away,
Take me away (Ooh),
Take me away
