

On & On

Inna

Hello,
Do you miss me?
I don't know.
My soul,
Miss you baby,
You don't know!
Right now,
I am dreaming
At no doubt.
Real Love, Real Love

I need you on and on and on in my life (2x)

I need you on and on and on in my life (2x)

You make higher..
Cause your my fire..
You take my higher..
Cause your my fire..

I need you on and on and on in my life..
On and on and on in my life..
I need you on and on and on in my life..
On and on and on in my life..
