

Party Never Ends

Inna

I found a special place, where everything feels right
No negativity, everything's alright
I feel tonight's the night, I'm here with all my friends
The party never stops, party never stops and never ends

Hey, oh, just run away and keep on going
Don't stop, don't stop, don't stop
Hey oh, the energy keeps you from falling
Don't stop, don't stop, don't stop

I found a special place, where everything feels right
No negativity, everything's alright
I feel tonight's the night, I'm here with all my friends
The party never stops, party never stops and never ends

Hey, oh, just run away and keep on going
Don't stop, don't stop, don't stop
Hey oh, the energy keeps you from falling
Don't stop, don't stop, don't stop

Hey, oh, just run away and keep on going
Don't stop, don't stop, don't stop
Hey oh, the energy keeps you from falling
Don't stop, don't stop, don't stop
