

Tonight

Inna

They think its wrong
I don't care about the world
You're here this night
All the night you're by my side

They think its wrong
I don't care about the world
You're here this night
All the night you're by my side

I can't get off cause
I feel inside

I have been sad every night
I can smile tonight, tonight
I've been sad every night
I can smile tonight, tonight

They think its wrong
I don't care about the world
You're here this night
All the night you're by my side

They think its wrong
I don't care about the world
You're here this night
All the night you're by my side

I can't get off cause
I feel inside

I have been sad every night
I can smile tonight, tonight
I've been sad every night
I can smile tonight, tonight

I have been sad every night
I can smile tonight, tonight
I've been sad every night
I can smile tonight, tonight

I have been sad every night
I can smile tonight, tonight
I've been sad every night
I can smile tonight, tonight
