What are you doing
Send it home that is a Saturday night
Hey, what do you think? That you are falling
Look around you, everybody don't lay

Uuuuuu, we go do this alright
Everyday, one day, all night
Uuuuuu, welcome to this party light, oooya
Every boy, every girl, all night

We like to party, dance with somebody like you
(We like to we like to we like to)
We like to party, get super naughty with you
(We like to we like to we like to)
We like to dance, we like to party
We like to drink and kiss somebody
We like to dance, we like to party
We like to drink and kiss somebody

Come on, lover, let me see what you got
