

Black and White

Inner Circle

The link is black, the page is white,
together we'll learn to read and write.
The child is black, the child is white,
the whole world looks upon a sight,
a beautiful sight.

And now a child can understand
that this is the lore of all the land.
All the land.

The world is black, the world is white,
it turns by day and then by night.
A child is black, a child is white,
together they grow to see Jah light.
To see Jah light.

And now it last it's plain to see,
they'll have again a liberty.
And now it last it's plain to see,
they'll have again a liberty.

The world is black, the world is white,
it turns by day and then by night.
A child is black, a child is white,
the whole world looks upon a sight.
A beautiful sight.

The world is black, the world is white,
it turns by day and then by night.
The child is black, the child is white.
Together they grow to see Jah light.
To see Jah light.

The world is black, the world is white,
it turns by day and then by night.
The world is black, the world is white,
it turns by day and then by night.

The child is black, a child is white,
the whole world looks upon a sight.
A beautiful sight.
