It's Not About Romance

Inner Circle

Boom chaka la ka boom boom

Gal you cause confusion when you walk ina the room

Boom chaka la ka boom boom

Gal you cause confusion when you walk ina the room

Boom chaka la ka boom boom

Gal you cause confusion when you walk ina the room

Boom chaka la ka boom boom

Gal you cause confusion when you walk ina the room

Now she's gone
It's not about romance
She don't love you
She just loves to dance
She don't love you
It's not about romance

Gal just a tease me she don't want to please me Have big man just cry for she body
Gal just a tease me she don't want to please me Have big man just cry for she body

She looks so beautiful
She burns with every touch
Don't get too close
She'll break your heart and leave you
Got you wanting her so much
Take a tip from me
That girl don't love nobody

She don't love you She just loves to dance She don't love you It's not about romance

She don't love you She just loves to dance She don't love you It's not about romance

Gal just a tease me she don't want to please me Have big man just cry for she body
Gal just a tease me she don't want to please me Have big man just cry for she body

Boom chaka la ka boom boom
Gal you cause confusion when you walk ina the room
Boom chaka la ka boom boom
Gal you cause confusion when you walk ina the room

Bodies dancing oh so tight Emotions running wild Every move excites you Can resist her if you try It's clear but you can't see That girl don't love nobody She don't love you She just loves to dance She don't love you It's not about romance

She don't love you She just loves to dance She don't love you It's not about romance

Boom chaka la ka boom boom

Gal you cause confusion when you walk ina the room

Boom chaka la ka boom boom

Gal you cause confusion when you walk ina the room

See that hunger in her eyes Passions on the rise Every move excites you Can resist her if you try It's clear but you can't see That girl don't love nobody

She don't love you She just loves to dance She don't love you It's not about romance

She don't love you She just loves to dance She don't love you It's not about romance

She don't love you She just loves to dance She don't love you It's not about romance She don't love you
