

Living It Up

Inner Circle

Living it up for the rhythm
Living it up for you
And if the gun don't fire the bullets
All of this be true

Living it up for the rhythm
Living it up for you
And if the gun don't fire the bullets
All of this be true

All my life I've been living for you
Doing all the things you wanted me to do
Culture of music has grown in me
Thank you for nurturing my maturity
In music, your sweet music
How can anyone live without it?
Tell me now

Na, na-na-na, na, na-na-na, na-na-na, na, na
Sing!
Na, na-na-na, na, na-na-na, na-na-na, na, na

Living it up for the rhythm
Living it up for you
And if the gun don't fire the bullets
All of this be true

Living it up for the rhythm
Living it up for you
And if the gun don't fire the bullets
All of this be true

Special request, gonna kick this feat for you
All the things you taught me how to do
Higher heights, higher heights of music
Fill me up, took me up, I'm crazy for you
Take me now, take me now and love me
Sister music, let me love you

Na, na-na-na, na, na-na-na, na-na-na, na, na
Sing!
Na, na-na-na, na, na-na-na, na-na-na, na, na

Living it up for the rhythm
Living it up for you
And if the gun don't fire the bullets
All of this be true

Living it up for the rhythm
Living it up for you
And if the gun don't fire the bullets
All of this be true

All my life I've been living for you
Doing all the things you wanted me to do
Culture of music has grown in me
Thank you for nurturing my maturity
