

# Walking On A Rainbow

Inner Circle

I wish that you could see me  
Walkin' on a rainbow

Yeah, I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold  
I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold

Up here, it's so beautiful  
If only you could see  
Only then you could understand  
Why we should carry love in our hearts

I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold  
I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold

Red is for the blood of freedom  
Green is for the land we live on  
Gold is for the sun that shines  
Keep our energy flowing all the time

I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold  
I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold

When one door is closed  
Another one is open  
And that's the way, Jah Jah plan it  
For all of us to live as one

I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold  
I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold, yeah yeah yeah

Want you to keep in mind, yes  
When one door is closed  
Remember, another one is open  
And that's the way, Jah Jah plan it  
For all of us to live as one

I'm walkin' on a rainbow  
On the colors of the ites  
Green and gold  
I'm walkin' on a rainbow  
On the colors of the ites

Green and gold, yeah yeah yeah

Yeah, I'm walkin'  
And I'm talkin'  
And I'm movin'  
And I'm groovin'  
To the sound of the rainbow song

Yeah, I'm walkin'  
And I'm talkin'  
And I'm movin'  
And I'm groovin'  
And I'm movin'  
To the sound of the rainbow, yeah

Walkin', talkin', movin', groovin'
