

I got a thing to say  
I gotta see your face  
'Cause, baby, oh, I've changed  
I gotta break it down to you  
Now don't forget it's me  
This ain't no... these thangs  
It ain't the same, oh no, baby  
I don't want you lookin' like a fool  
Baby, I'm fallin' out of love with you  
I can't go on pretending that I love you  
Baby, I'm fallin' out of love with you  
I can't go on pretending that I want you  
Don't want your love  
I can't pretend no more  
I had to let you know  
I didn't want to make you wait  
To find another love that wasn't true  
Didn't want to tell your friends  
I knew that they would tell you then  
And that'll break your heart again  
And I want us to continue being friends, but  
Baby, I'm fallin' out of love with you (fallin' out of love)  
I can't go on pretending that I love you (that I love you)  
Baby, I'm fallin' out of love with you  
I can't go on pretending that I want you  
Don't want your love no more  
Living on lies  
You know I've tried  
Living on; night-tears and over-cryin'  
No, no, no, no  
Living in pains, jumping on these thangs  
You know what I'm sayin', babe  
Don't want your love no more  
Baby, I'm fallin' out of love wit' you (I'm fallin' out of love  
)  
I can't go on pretending that I love you  
(I don't love you, baby; no)  
Baby, I'm fallin' out of love wit' you  
I'm fallin' out of love wit' you  
I can't, no; thinkin' I'm in love no more  
Don't want to break your heart, no, no  
But you gotta know  
That I didn't care  
The love that I gave ya
