

Crush The Jewish Prophet

Inquisition

We are the warriors of Satan's legion
We are the soldiers of infernal war
Knife in my hand, axe in the other
We are the killers in search of Christ

Crush, Crush, Crush... Jesus
Crush, Crush, Crush... Jesus

Prepare for battle weak lambs of God
Lord of destruction I summon thee
Grant us your powers of annihilation
Crush the Jewish prophet, death to Christian faith

Crush, Crush, Crush... Jesus
Crush, Crush, Crush... Jesus
