

# Crush The Jewish Prophet

## Inquisition

We are the warriors of Satan's legion  
We are the soldiers of infernal war  
Knife in my hand, axe in the other  
We are the killers in search of Christ

Crush, Crush, Crush... Jesus  
Crush, Crush, Crush... Jesus

Prepare for battle weak lambs of God  
Lord of destruction I summon thee  
Grant us your powers of annihilation  
Crush the Jewish prophet, death to Christian faith

Crush, Crush, Crush... Jesus  
Crush, Crush, Crush... Jesus
