

# Hymn For A Dead Star

Inquisition

The lonesome star  
has faded far...  
into the grave  
of cosmic storms.

The dying rays  
of silver light...  
all form the sign  
of Satan's rise.

Falling dead star,  
crushing God's throne,  
spinning heavens,  
death reigns as king

Fire burning,  
cosmos freezing,  
portal opens,  
glooming altars.
