Crossing Thy Bridge

Insane Clown Posse

I've lived one hell of a life If youre to take it tonight. I've lived the life of a king. But so much to darken my life. Looking 360 Degrees 200,000 diseased How can I lay back and chill so many down on their Knees

But then again who am I I'm just some typical guy I ain't no fuckin hero I've just been wondering why

I've seen some children crossing the bridge What kind of life did they get to live What kind of choice do they get to make What if it was a childs mistake

I never question the book but lets say I live by the book I'd never eat meat on Tuesdays How much bigger would my wings look

I try to pray everyday but sometimes get lost on the way I've seen the holiest spirit so much to mislead the way

I've gave the visions I got I've been told I'm gonna rot Inside the devils intestines I'm still here holding my spot

I've just been wondering why I've just been wondering why

I've seen some children crossing the bridge what kind of life did they get to live what kind of choice do they get to make what if it was a childs mistake

Come on and open up your door What if it's a purgatory door? come on and open up your door What if it's a purgatory door?

I've seen some children crossing thy bridge what kind of life did they get to live what kind of choice do they get to make what if it was a childs mistake
