Crystal Ball

Insane Clown Posse

Insane Clown Posse, Twiztid, Dark Lotus Family, It's Our World Lookin my crystal ball it's alright Welcome, my curious sisters and brothers First, put a twenty in the jar with the others (That's right take a seat) Ain't no smokin in here, I need to keep my ball clear There spirits in there (Whats your future, someone gonna shoot ya) Will you get your girlfriend back, as if I know that I can only tell you where your soul is headed And will remain eternaly embedded, the rest forget it Life is nothin but a test to clear Did you have a heart while you where here And was it sincere? Your still unraveling your future right now What kinda person are ya bro, oh, where there you go You control your own muthafuckin' destiny I ain't lettin' the devil get the best of me (I'm gonna make it into Shangri-la) golden walls What's up with you check your own crystal balls Lookin my crystal ball its allright Layback, evolve, and I'll be alright

Lookin in my crystal ball I'm seein' thugs Both catchin' and firin' slugs (paper for drugs) I see a line waiting on block cheese a mile long All tryin to be strong (It's the same old song) But when I look into everybodys faces (smile) Their soul are headed other places And they ain't worried about payin them dues down here (Because they mother fuckin future is crystal clear) The focus switches to you and it ain't good All mad cause someone rolls up out the neighborhood Check your self and the judgment was passed Yo, you be in hell (right up the asshole) It will get ya if ya let it pack your speedo's I hear it's hot where you headed I'm trying to tell ya now (when the grim reaper calls) You don't want to be ass out grippin' your crystal balls

Lookin my crystal ball its alright Layback, evolve, and I'll be alright Lookin my crystal ball its alright Layback, evolve, and I'll be alright

Look into my crystal ball its all black And everybodys frozen in time front to back Their controlled by the matrix of mind, body and soul And I'm branded by the system of carnival freekshow I see the fame analyize cause nothin is the skyz It's the same as seein the death in the demons eyes I'm high in my sights, from the truth of my crystal ball Believe me when I say we comin for all of y'all Look deep into my crystal ball See the dead smokin on trees and drinking alcohol Underneath the street beneath the concrete If you listen to the night you can hear my heart beat All painted up buried in a axe and shit Juggalo love got each others backs and shit Encased in glass for the whole world to see Am I inside, or is the crystal ball inside of me

Lookin my crystal ball its alright Layback, evolve, and I'll be alright

Rain comes down (Lookin my crystal ball it's alright)
