

# Lady In A Jaguar

Insane Clown Posse

It was late one night in the 4-0-4  
I was gone off that water chillen on the front porch  
I was lean back laxin in puffin on some swag  
When this bitch came up in a tight ass jag  
She pulled right in the driveway bumpin' Clint Black  
We she stepped to the ride I had to take a step back  
She had long blonde hair and an ass that wouldnt quit  
Titties fallen all out becuz her shirt didnt fit  
Started walkin up to me and she dropped the keys  
Kneeled down to pick 'em up and all I saw was g-string  
Pussy lips hangin' out and it was the shit  
Now im sprung on a bitch in a XJ6

It was jumpin' down town on a Saturday night  
I was wipin' car windows on the corner street light  
She was parlayin' on a money green Jaguar

She locked the door  
Now whatcha' do that for?  
I could see she had a dead fox chillin on her shoulder  
Blonde highlight hair her face a little older  
I knocked on the windshield and kissed the glass  
I think I probably scarred a dune out of her ass  
But shepeeled my wig back and offer me a ride  
Smiled at a Juggalo and told me "get inside"  
Im like, "hell yeah bitch, you old rich freak"  
I went to get inshe peeled off and ran over my feet

R:

O shit, who that?.rollin' down the block  
Another closet smoker lookin' for some rock  
The Jag pulled up and the window rolled down  
"I'm lookin for the infamous Shaggz The Clown"  
I tried to say "what up" but before I had the chance  
I seen her camel toes trying to push through her pants  
So I said "come here bitch" she said "What fo'"  
She grabbed me by the pants and open up the do'  
She pulled out her titties said she likes kinky stuff  
If I wanted the neden I had to put on these handcuffs  
She cuff me to the seat "A yo' what the hell"  
She said "I'm taking u in for jumpin' your bell"
