

# The Madness

## Insane Clown Posse

Where can I go they don't want me no mo'  
Where can I go they don't want me no mo'  
What if I plugged a screwdriver up into they guts  
Would they mouths be laughin' at me or would they keep 'em shut  
I'm running out of options and my patience now is thin  
I'm goin' round and round I don't know how to get out or how to  
get in  
Where can I go they don't want me no mo'  
Where can I go they don't want me no mo'  
What if I bought a gun and shot a slug in they back  
Would shit change for the better how would they all react  
I'm running out of options and my patience now is thin  
I'm racin' round and round can't find the door some fuckin' bod  
y let me in  
I I I I'm in the madness (Lost soul) I'm deep within the madnes  
s

Where do I stand when I'm all on my own  
Where do I stand when I'm all on my own  
What if I drive a drive a butcher's knife through the top of yo  
ur head  
Would you invite me to your parties make me your friend  
I'm running out of options and my patience now is thin  
I'm swingin' round and round I'm up and down and I'm back and f  
uckin' forth again  
Where do I stand when I'm all on my own  
Where do I stand when I'm all on my own  
What if I swung a bat and cracked your head of your neck  
Would you then let me in and show me love and respect  
I'm running out of options and my patience now is thin  
I'm walkin' round and round in a parkin' lot with a knife and a  
note and a loaded mach ten
