

# Poison Well

Insolence

When it happen again like the time before  
Took a trip through my mental and find a small door  
To a passage written through time this is my mind set  
You find it deeper inside the strong-minded  
I find the energy and feel fire  
Changes the gravity inside of me  
We have no time to fret  
No time for regret  
If the poison doesn't kill us we commin live and direct

This is my life  
This is my hell  
Straight took a journey  
This is my life  
This is my hell  
Straight took a journey

My brain strain  
I feel no pain  
All kinds a chemicals race through my brain  
This and that well let me counteract  
Im lost in the vortex and aint commin back  
I become you and you become me  
Lost in dream of fact or fantasy  
Hallucinations from red to green  
Find the calculations for why we fiend

This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well

Yo Yo  
I can see clearly despite all the nonsense  
I can see clearly despite all the bullshit  
You can break it down but it still makes no sense  
I can see clearly despite all the nonsense

This is my brain  
So sick science cant even contain  
Is there any thought process that remains  
This is my brain  
So sick science cant even contain  
Is there any thought process that remains

This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well  
This is my life  
This is my hell  
Straight took a journey  
to the poison well

I found my hell  
Inside Tha Poison Well  
I found my hell  
Inside Tha Poison Well
