

# U Wanna Be

Inspectah Deck

There comes a time when you'll be stripped of your stripes  
Take away the accolades, and look yourself in the face, you know  
No lactose, just a reality dose  
We keep it true, yeah, yo  
You want to be large, you want to be hard  
You want to be God, you're not quite  
You want to be thugs, you want to be Bloods  
You want to be loved, is that right?  
You want to be friends, you want to be him  
You want to be them, you act like  
You want to be live, you want to be fly  
You want to be high, I gotta be me  
Born July 6th, 3:23  
With a finger for the world up in front of me  
Had the gall, had a ball, but ain't have shit  
Played the hall, played some ball, average black kid  
With a passion to live and see the lands  
Without sacrificin' my soul or meet demands  
I strive for what I live for, me and my Clan  
And searched for provocative plans to feed the Fam  
This is no act or mirage, never rocked a corsage  
Spanned the globe on roam, nobody God  
See everybody's a thug, everybody sold drugs  
Everybody rocked an ice cold mug  
Most killas I know, is either six feet below  
Or lost in the system, doin' years in the hole  
It's the changin' of the God, witness the move  
But your feet not big enough to fit in my shoes, nigga  
Far from the inventor, like Notorious said  
But I'm quick to pull my sword and it's off with your head  
I never was a dick rider, you never see me try to  
Be like that dude, soft, plus, he wack too  
Put the money on wood, make it all good  
Then make arrangements, I'm bringin' my hood  
Pushin' four wheel motion with the sounds and tints  
In suspense, ya'll snake eyes bounce off the tents  
See, they rent cars and jewels to fool you  
In the video, actin' like, that's how they really flow  
But only a low percentage know  
Only five every hundred make dough, they say so  
Oh, you got a rollie plus a six point o  
But no, you're not authentic, you're just for show  
Lookin' for the next free ride to latch on  
In the short amount of time, watch the world catch on that  
And that's who I be  
Money back guarantee, if it's not quality  
This here's official, if not, I wouldn't hit you  
I gotta be true, I take offense to the issue  
Not your typical rituals I chant  
Givin' the chance, watch it rain like an Indian dance  
State it like Abe, at Gettysburg, bet he's heard  
Through galaxies, aliens stuck on every word  
Livin' legend, veteran known to set trend  
Flex powers on the mic, like the X-Men  
Destined to hit the hall of fame, quick  
But ya'll kick the same lame shit  
Kick 'em in the groin, for playin' both sides of the coin

Now who will be the next click you join  
I stand on my own two feet, truly unique  
That's the difference between you and me, you want to be  
[Chorus 2X]
