

I Think We're Alone Now

Inspection 12

Children behave
That's what they say when we're together
And watch how we play
They don't understand
And we'll keep running just as fast as we can
Holding on to one another's hand
Trying to get away into the night
And then you put your arms around me
And we tumble to the ground and then you say
I think we're alone now
There doesn't seem to be anyone around
I think we're alone now
The beating of our hearts is the only sound
Look at the way
We have to hide what we're doing
Cause what would they say
If they only knew and
We'll keep running just as fast as we can
