The Naked At School Dream

Inspection 12

I read the whole book so I raised up my hand. The whole class starts laughing and I don't understand. So I walked to the chalkboard, then I knew without a glance. Because I felt all of their burning eyes and I wasn't wearing pants. Some say dreams have meaning. Well if they do I'd like to ask: Am I too self-concious of my skinny little ass? Or is it just some random coincidental thing? 'Cuz everyone I know has had that same disturbing dream.
