

# Irresistible Force

Inspiral Carpets

You shake my shoulders, you shake the earth  
You shake my life for all it's worth  
I rack my brains, I roll my eyes, don't give me time to realize  
Irresistible force, irresistible force  
Irresistible force, irresistible force  
Irresistible force brings me back to you  
You shake my shoulders, you shake the earth  
You shake my life for all it's worth  
Irresistible force, irresistible force  
Irresistible force, irresistible force  
Irresistible force brings me back to  
Irresistible force brings me back to  
Irresistible force brings me back to you  
Irresistible force, irresistible force  
Irresistible force, irresistible force  
Irresistible force brings me back to you

Bring me back to you  
Bring me back to you  
Bring me back to you  
Bring me back to you

Bring me back to you  
Bring me back to you  
Bring me back to you  
Bring me back to you
