

Sadly tell the world today
Tony will not return
All the sadness to share
Everybody learns to care

Gone to see Niagara

Autumn leaves turn golden
The empty house turns lonesome
Marilyn's finest arm
Burns in the golden fire

Gone to see Niagara

He will not return
small, spread thin
Her heart still burns
Niagara

Winter's warmth brings sadness
Comfort kept me through madness
See the beauty of the falls
Tony never saw it all

Gone to see Niagara

He will not return
small, spread thin
Her heart still burns
Niagara

Gone to see Niagara (4x)

Spring joy bring hope
Learning to cope
Secrets of your life to find
Could tomorrow be unkind

Gone to see Niagara

He will not return
Kathy's small, spread thin
Her heart still burns
Niagara (2x)
