

Evil Sorcerers

Internal Suffering

Race of men - somewhere east beyond the mountains - Evil Rites
Spoken in an unknown tongue - charms chanted on the tops of temple

Built to reach the deepest cavities of HADES - great delight at
their shrines...

Of loathsomeness! - lands of farmers ravaged by evil spells
Scorched black by flame and burning embers that descend from the sky

The Sign that they have been there, where the earth is black and charred

And where nothing grows or lasts - fire comes from the heavens
Panic and terror among the people - terrible cries yelled upon
their gods to appear...

"A sword appears in the sky... a signal to the Ancient Ones

That one of theirs has escaped... entered into this World!

Great destruction of everything... fire rains from the spheres

Seas of blood spilled on the ground... powerful uprising of the
Old Ones!"
