

No I in Threesome

Interpol

Through the storms and the light
Babe, you've stood by my side
And life is wine

But there are days in this life
When you see the teeth marks of time
Two lovers divide
Sound meets sound, babe
The echoes they surround
And know that we need is one thing
Now what is there to allow?

Babe, it's time we give something new a try
Oh, alone we may fight
So, just let us be three
And baby tonight
I see your lips are on fire
And life is wine

Now the windows are open the moon is so bright
There's no one can tell us what love brings, you and I
Sound meets sound, babe
Her echoes they surround
And know that we need is one thing
Now what is there to allow?

Babe, it's time we give something new a try
Oh, alone we may fight
So just let us be three, tonight
Through the storms and the light
Baby, you've stood by my side
And life is wine

You feel the sweet breath of time
It's whispering, its truth not mine
There's no I in threesome

And I am all for it
Babe, it's time we give something new a try
Oh, alone we may fight
And feathers bend like trees in the moonlight
Babe, it's time we give something new a try
Oh, alone we may fight
So just let us be three tonight
