

## Obstacle 2

Interpol

I'm gonna pull you in close  
I'm gonna wrap you up tight  
I'm gonna play with the braids that you came here with tonight  
I'm gonna hold your face, and toast the snow that fell  
Cuz friends don't waste wine when there's words to sell

I feel like love is in the kitchen with a culinary eye  
I think he's making something special  
And I'm smart enough to try  
If you don't trust yourself for at least one minute each day,  
Well you should trust in this, girl, cuz loving is coming our way.

If you can fix me up we'll go a long way  
If you can fix me up, girl, we'll go a long way.

(Take my love in real small doses.)

I will stand by all this drinking if it helps me through these days  
It takes a long time just to get this all straight.  
I'll showcase on Route 7 when I find the right place  
It takes a long time just to get this all straight  
In my mind, this is my free-time  
Cuz friends don't waste wine when there's words to sell.

(Take my love in real small doses)

I will stand by all this drinking if it helps me through these days  
But I've spent a long time corresponding in my own way.  
I'll showcase on Route 7 when I find the right place  
But it takes a long time just to get this all straight  
In my mind, this is my free time...

To let it all away  
Spend it all today  
Spend it all today  
It took time then I found you.
