## **The Undoing**

I was on my way I was on my way to tell you it's no good I was on my way Chasing my damage

I was chased, thrilled and altered Chasing my damage Because I was chased, thrilled and altered And it raised me

Suele tener Me suelto Me suelto en el deshacer Al puro perder el ganar no compara

I always thought you had great style And style was worthwhile Because I was I was on my way Sobreviviré

Chasing my damage I was chased, thrilled and altered And it raised me Chasing my damage Because I was chased, thrilled and altered And it raised me

Suele tener Me suelto Me suelto en el deshacer Al puro perder el ganar no compara
