

## The Incurable Tragedy li

Into Eternity

I'm on my knees but I can't follow  
I'm sitting here alone abandoned torn apart  
I'm on my knees I can't continue on  
Emotionless and deserted

The incurable tragedy  
The incurable tragedy

Tragedy

Frozen lost and out of time  
Crossing to the other side  
The ending came so suddenly  
Now here I stand and there you lay  
Endless grief conceding  
Presuming  
Allowing  
Undaunted

The incurable tragedy
