Into himo

It's all me, all me around me,
It's all me, all me inside of me.

Is this really what you want?
Is this really who you need me to be?
Oh my God how shallow am I?
How little do I care about what's really worth caring for?

It's so hard to see the ones around me,
'Cause I'm standing in my way
And it's so hard to care about the ones around me.
Yet it's so easy to care about myself.

It's all me, all me around me,
It's all me, all me inside of me.
Please deliver me from this!
Help me to see life through your eyes
Instead of my own...
Oh my God how shallow am I?
How little do I care about what's really worth caring for?
Instead of my own because it really should be.

All you, all you around me,
All you, all you inside of me
'Cause God you're love and your love is what I need.
