

# Let Me Be

Intwine

Same old story now  
Much to say  
What you're searching for  
Is fading away

And I don't know if I'll be back again  
And I don't know if things will be the same

As she cried on my shoulder  
And she asked me to hold her  
One last time as I told her

Waiting is a game, blame me for making someone play by the rules

And I don't know if I'll find my way  
Back to where I belong and maybe stay

As she cried on my shoulder  
And she asked me to hold her  
One last time as I told her

Let me be

Everyday as I think about you  
Wishing up on a star  
Wishing I wasn't so far  
I got myself thinking if I did it right  
Should I stay one more night  
Should I go, should I stay, let it go  
Should it be my own run  
And walk the other way

And I don't know if I'll be back again  
So I do hope you'll be there in the end

As she cried on my shoulder  
And she asked me to hold her  
One last time as I told her

Let me be

As she cried on my shoulder  
And she asked me to hold her  
One last time as I told her

Let me be
