

Another book to be read  
Another rule in your head  
Like some kind of a cheap ass whore  
Who's been told off plenty before

'Cause today we were told  
To be no ones again

Another one in your bed  
Like they weren't already fed  
And now they want more they say  
Like some kind of a game they played before

Some a really mean what dem really don't say  
But that's one thing ye really can't say about me  
Ye better not doubt me to put it inna ye face  
Fuck de man who ony sees it is way  
Until hm choke and croak and decay  
Me nah clay

'Cause today we were told  
To be no ones again

What a really mean se me nah fraid to say  
Fuck de man who want come try control ye  
Come try fe hold ye mold ye like clay  
Fuck the man who onley sees it his way  
Until him chocke and croak and decay  
Me nah clay

'Cause today we were told  
To be no ones again
