```
Baby don't cry
Baby don't cry
Baby don't cry
Baby don't cry, Baby don't cry
Baby don't cry, Baby don't cry
Baby don't cry, Baby don't cry
Baby don't cry. Baby don't cry
Face to face
Anything is possible
Not political, or analytical
Never givin up on the wrong
You got a choice
Why don't you use it
Change, is an attitude
Guaranteed to take hold of you
So welcome, to the turnstile
Take a turn with a new vow
Hey, I know what you know
All the sympathy
Made a mess of me
Respect the sacrifice
Before the number one
Now it has begun
Baby don't cry
Baby don't cry
```

Baby don't cry Baby don't cry
