

## Biting Bullets

INXS

Don't you wonder  
Is anyone that strong  
It takes me under  
Believing what I'm seeing  
I get so tired  
Of watching friends go down  
The hungry tiger  
For all who never began

Biting bullets  
Biting the clouds  
Biting bullets  
Biting the clouds

I saw the show  
Shaking all the babies  
Should I believe  
The parade of clever lies  
Shadow of light  
In the shadow of death  
There is no difference  
For all who never began

I loose myself like anybody else  
But I'm not so strong to make it in the end  
I need some answers when  
The day comes crashing down  
But it's all over when there's  
No one to be found
