

Disappear

INXS

Say I'm crying I'm looking at what's on TV
Pain and suffering and the struggle, to be free
It can't ever be denied and I never will ignore
But when I see you coming I can take it all

You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear

Say you're mine and give yourself
To the feelings that you know
I'm needing all that you can give me
All the things that you do so well
Words are healing sweet, anticipation
Making spells as the shadows close in
And fall across all our yesterdays

You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear

Disappear, Disappear, Disappear,
Disappear, Disappear, Disappear, Disappear

Say if I could
Look into myself and reason
But I could never never see or
Make sense of the deal
Turn around I'm looking at salvation
Make me realize all that I am baby
You put the light inside this man

You're so fine, lose my mind
And the world seems to disappear
All the problems, all the fears
And the world seems to disappear
