

## Let It Ride

INXS

The sky is blue I'm watching you  
The grass is green what does it mean  
Clouds are white don't lose that fight  
Generations oversight is fucking up my poetry

Let it ride, ride, ride  
Ride, ride, ride  
Ride, ride

Caught in between  
The sun and the moon and the stars  
Caught in between  
The sun and the moon and the stars  
Caught in between  
The sun and the moon and the stars  
Caught in between  
The sun and the moon and the stars

The sky is blue I'm watching you  
The grass is green what does it mean  
Clouds are white don't lose that fight  
Generations oversight is fucking up my overdrive

Let it ride, ride, ride  
Ride, ride, ride  
Ride, ride, ride

Let it ride, ride, ride
