

Tight

INXS

Oh baby you're so tight
Tight
C'mon shake it up
Baby you're so tight
C'mon shake it up

Now loosen up
Put your money down
Sooner or later
You will come around

You're so tight
Yeah... tight
C'mon shake it up
You're too uptight

Let's make it good
C'mon make it right
Darling rub my hand
Bet you're feeling uptight
Get it right
Get it right

You're too uptight
Shake it up get it right
Shake it up, come on in and waste your time
Tight
Tight
You're so tight
Tight

Tight
Tight
C'mon shake it up
