

## What You Need

INXS

Hey, here is the story  
Forget about your troubles in life  
Don't you know it's not easy  
When you've gotta walk upon that line

That's why  
You need  
That's what  
This is what you need  
I'll give you what you need

Don't you get sad and lonely  
You need a change from what you do all day  
Ain't no sense in all your crying  
Just pick it up and throw it into shape

Hey you won't you listen  
This is not the end of it all  
Don't you see there is a rhythm  
I'll take you where you really need to be
