

Scars Are Sexy

Iperyt

The unspeakable pleasure
Forbidden marriage of shell and flesh
Climaxing dangerously
Venomous lust intoxicates

A hunger so deep and profound
A quest with no promised reward
Upon the verge of life and death
A strange matrimony of hot and cold

Let me see your scars to measure your attraction
Talk to me, talk until I cum
Describe their injuries accurately
Scars are sexy, let them speak, let me touch them,
Let me feel...

Lick my scars!

Exhilarating incertitude
The smell of upholstery, sweat and sperm
The raw sexual energy
Surreal liberation dominates

A suicidal union
Unholy matrimony of pleasure and pain
Climaxing dangerously
Venomous lust intoxicates
