Is it me that you're speaking to ?
Can you really put me down ?
Do you know the things to say ?
What will happen in the meantime ?
Are you telling me the truth ?
Can you really put me down ?
Would you bother if you could ?
What will happen if you do ?
What will happen to my friends
Will they be the same as you ?
Can you tell me if I'm wrong ?
When will I be right again ?
