

## Downtown

Iration

Lights go off, another day  
And I've been feeling fine  
Too many words are left to say  
So they get left behind  
"I can't let you go"  
"I won't let you know,  
I'm drowning in your wine"  
Another night, this town can't make it right  
That's why I gotta go

Where words break like the bottles of grief  
Where shadows crawl through the streets  
And I've been waiting  
I get this feeling that I'm getting pulled back again  
Back where everyone meets

I don't wanna go, I don't wanna go  
Why don't we go downtown

Another day is missing me  
Can you see it shine?  
I gotta keep a level head but I  
Gotta rest my mind  
This day could be your last  
So make an order fast  
And pass it down the line  
Another time you know they got me feeling fine  
That's why I gotta go

Where tops pop on the bottles  
From heat  
Where safety is parked in the streets  
And I've been hailing  
I get this feeling that I'm getting pulled back again  
Back to sip something sweet

[Chorus]
