Work It Out

Iration

We don't talk today
The minutes waste away
Just communicate
It's the only way

I need to let you know
Love can bloom in snow
And we can make it grow
Come on and let it flow

And work it out

I need you by my side
To tell me it's alright
When everything's so wrong
Your love's what makes you strong

So work it out

You make it so hard
You gotta know that we made it so far
Don't make it so hard
You gotts try you gotta try you gotta

Work it out
