

# All My Heart

Irene Cara

All of my heart hey!  
Oh  
My heart!

Somewhere  
Someone needs a hand to hold  
One touch  
Can make a difference I know  
That's why  
I'm sending out this message with all my heart  
All my heart!

Everyday's another chance  
To live the best I can  
Try to see the positive  
Be thankful for what I have  
Sometimes it's hard and it take's all I got  
Hey yeah  
To hold my head high and I just give it all  
So no more lies  
Walking this fine line full of stars that shine  
Hey yeah  
But I believe I have to do my part  
With all my heart cause

Somewhere  
Someone needs a hand to hold  
One touch  
Can make a difference I know  
That's why  
I'm sending out this message with all my heart  
Reach down  
Deep in the soul of the world  
I reach out  
From my heart to spread the word  
It's time  
To give it all I got giving all my heart  
All my heart!

Won't waste another tear trying to change the past  
I won't live my life in fear hiding behind some mask  
It's time to tell the truth and trust my heart  
Hey yeah  
Life can bring you to your knees no matter what or who you are  
Angers a lonely world it feeds the dark  
Hey yeah  
I want to face the light with open arms  
With all my heart cause

Somewhere  
Someone needs a hand to hold  
One touch  
Can make a difference I know  
That's why  
I'm sending out this message with all my heart  
All my heart

One day  
Everyone will have a home  
It's my hope  
No one will ever be alone  
That's why  
Cause I know

I feel it every moment with all my heart  
All my heart oh yeah!  
One touch!  
One smile

Somewhere  
Someone needs a hand to hold  
One touch  
Can make a difference I know  
That's why  
I'm sending out this message with all my heart  
All my heart!  
Love will  
See us through another day  
Love will  
Be there to always light the way.  
I know

I'm giving all I got giving all my heart  
All my heart!

One touch  
One smile  
One hope  
One child  
One love  
One chain  
One world  
One day!
