

I Sing The Body Electric

Irene Cara

I sing the body electric
I celebrate the me and to come
I toast to my own reunion
When I become one with the sun

And I'll look back on Venus
I'll look back on Mars
And I'll burn with the fire
Of ten million stars
And in time and in time
We will all be stars

I sing the body electric
I glory in the glow of rebirth
Creating my own tomorrow
When I shall embody the Earth

And I'll serenade Venus
I'll serenade Mars
And I'll burn with the fire
Of ten million stars
And in time and in time
We will all be stars

Yeah, ooh, yeah!
Yeah, yeah!

We are the emperors now
And we are Czars
And in time and in time
We will all be stars!

I sing the body electric
I celebrate the me and to come
I toast to my own reunion
(my own reunion)
When I become one with the sun

And I'll look back on Venus
I'll look back on Mars
And I'll burn with the fire
Of ten million stars
And in time and in time
(And in time and in time)
We will all be stars!
