

# I Sing The Body Electric

Irene Cara

I sing the body electric  
I celebrate the me and to come  
I toast to my own reunion  
When I become one with the sun

And I'll look back on Venus  
I'll look back on Mars  
And I'll burn with the fire  
Of ten million stars  
And in time and in time  
We will all be stars

I sing the body electric  
I glory in the glow of rebirth  
Creating my own tomorrow  
When I shall embody the Earth

And I'll serenade Venus  
I'll serenade Mars  
And I'll burn with the fire  
Of ten million stars  
And in time and in time  
We will all be stars

Yeah, ooh, yeah!  
Yeah, yeah!

We are the emperors now  
And we are Czars  
And in time and in time  
We will all be stars!

I sing the body electric  
I celebrate the me and to come  
I toast to my own reunion  
(my own reunion)  
When I become one with the sun

And I'll look back on Venus  
I'll look back on Mars  
And I'll burn with the fire  
Of ten million stars  
And in time and in time  
(And in time and in time)  
We will all be stars!
