

# Break My Mind

Iris DeMent

Baby, oh baby, tell the man at the ticket stand  
you've changed your mind  
Run outside and tell the cab to keep his meter running  
'cause if you say 'goodbye' to me boy  
you're gonna break my mind

Break my mind, break my mind  
You know I just can't stand to hear them big jet engines whine  
Break my mind, break my mind, oh Lord  
If you leave you're gonna leave this babbling fool behind

Baby, oh baby, come and get your suitcase off that scale in time.  
Tell the man that you've suddenly developed a thing about flying  
'cause if you say good bye to me boy  
you're gonna break my mind

Break my mind, break my mind  
You know I just can't stand to hear them big jet engines whine  
Break my mind, break my mind, oh Lord  
If you leave you're gonna leave this babbling fool behind

Baby, oh baby, oh baby, oh baby
