

I've Got That Old Time Religion In My Heart

Iris DeMent

I'm glad Jesus came, glory to His name. oh what a Friend is He
He so freely gave, His own life to save. From bonds of sin set
free.

And I've got that old time religion in my heart
And its way down inside
I've got that new kind of feeling in my heart
Real love abides
Nobody knows what it means to me
Nobody knows but my God and me
I've got that old time religion in my heart
And its way down inside

What a joy to know one who loves us so
He is so kind and true
He has changed my life from all sin and strife
He'll do the same for you.
