In Spite Of Ourselves

Iris DeMent

She don't like her eggs all runny She thinks crossin' her legs is funny She looks down her nose at money She gets it on like the Easter Bunny She's my baby, I'm her honey I'm never gonna let her go

He ain't got laid in a month of Sundays Caught him once and he was sniffin' my undies He ain't too sharp but he gets things done Drinks his beer like it's oxygen He's my baby, I'm his honey I'm never gonna let him go

In spite of ourselves we'll end up a-sittin' on a rainbow Against all odds, honey we're the big door-prize We're gonna spite our noses right off of our faces There won't be nothin' but big ol' hearts dancin' in our eyes

She thinks all my jokes are corny Convict movies make her horny She likes ketchup on her scrambled eggs Swears like a sailor when she shaves her legs She takes a lickin' and keeps on tickin' I'm never gonna let her go

He's got more balls than a big brass monkey A whacked-out weirdo and a love bugged junkie Sly as a fox crazy as a loon Payday comes and he's a-howlin' at the moon He's my baby, I don't mean maybe I'm never gonna let him go

In spite of ourselves we'll end up a-sittin' on a rainbow Against all odds, honey we're the big door-prize We're gonna spite our noses right off of our faces There won't be nothin' but big ol' hearts dancin' in our eyes

In spite of ourselves
